

PRIME ADVISORY NETWORK

The Global Network for chartered accountants and lawyers with members in over 60 countries.

- FULL MEMBER -

PRIME ADVISORY NETWORK
LONDON

FULL MEMBER

Full access to all features available on the platform

Full members receive 10% of the revenues generated by their own clients internationally. And can offer 10% to colleagues that introduced the client to them.

Publish industry papers

Full members can submit articles and industry papers to be published on Prime Advisory Network's blog and social network, in order to promote their firm.

International payment service managed by our Back Office

Our back office team will manage the payments between you and the final client for the services you offer and the referral fees to the colleague that introduced the client to you.

Display your professional qualifications

For Certified Members and Full Members we will certify that the member meets the necessary requirements and hold the professional qualifications required in the local country in which they are based.

Refer your clients to other colleagues abroad

Use the platform to assist your clients globally. Find the right colleagues to assist you and contact them through our international administrative office.

Promote your firm and fees within the network

With this feature your firm will be visible to all the members of the network and you will be able to receive international clients from other colleagues operating on the platform.

Free for 30 days. Submit a request to know the membership fees in your country.

FULL MEMBER

Provide your contact information to all members

All members can interact and network with other colleagues in the network through email, phone or chat.

Internal chat to connect with other members.

All members have access to the Prime Advisory Network internal chat.

Request an export management service

You can request an export management service to our worldwide professional network.

Offer your export management services worldwide

All members can offer their export management services to the entire network.

Receive mandates from our Export Management Service

All members will be able to receive clients from abroad who require the assistance for the internalisation process in the your country.
